Project List

Prayers: The most important thing we ask is for your prayers. Prayers that others will join us in this ministry, to share the gospel and give hope to the precious children of Haiti. Prayers for protection in a country that is filled with corruption, voodoo, greed and danger. Prayers for funds to continue this ministry. Prayers for wisdom in handling difficult situations in Haiti.

Orphanage Building Rent for 2007: Our lease is about to expire and we need to relocate our orphanage to a safer area. Too many kidnappings and murders are taking place near us. We must raise \$8,000 to \$10,000 US to cover a yearly lease.

Monthly Commitment Partners: We need churches, organizations and individuals to commit to a monthly donation for the Rescue Children ministry. The children of Haiti need your help in committing to this and helping to locate sources for funding. We also welcome one-time donations.

School Uniform/Book Bag Project: Each child needs two uniforms, a pair of shoes and a book bag for school at a cost of \$75.

Computer Project: Laptop Computers at estimated cost of \$750 each unit. Would greatly enhance our school program and help with record keeping, registrations, etc. Laptops are preferred because they are easier and cheaper to ship, and do not take up much space.

Four-Wheel Drive Diesel Vehicle: Gasoline is very expensive in Haiti. Also, some areas are impossible to reach without 4-wheel drive. This would be a great addition to the Rescue Children program. We are currently without transportation as our van is broken down.

Staff Salary Project: Current monthly staff salary is \$900. We need to add two additional teachers very soon and more staff will need to be added as we grow.

Christmas Project: We need donations to help with Christmas gifts for the children.

Freight Project: Money is needed to ship clothes, food, furniture, etc. currently in storage and this is an ongoing need for sending supplies from the U.S. We have a bus in Miami and a warehouse with items to ship, but we don't have the funds to ship these.

Volunteers: Volunteers are urgently needed to help with collection and organization of necessities for Rescue Children. Necessities such as tuna (foil packets), clothes, money for projects, booking speaking engagements for Rescue Children founder, fundraising.

Volunteers in areas of Medicine, Music, Education, Art, Evangelism are needed to go to Haiti to help at orphanage or spend time with children.

Brochure Printing Project: Brochures are critical to spread the word about Rescue Children and support this ministry. It is very expensive to buy cartridges for printing the color brochures. Commercial printing of our brochures in bulk quantities is cheaper and the best quote I have received so far is: 500: \$485; 1,000: \$519; 2,000: \$606; 3,000: \$694
